

Planting Calendar for Columbus, TX

 almanac.com/gardening/planting-calendar/zipcode/78934

1. **Start Seeds Indoors:** When to sow seeds indoors to get an early start on the season.
2. **Plant Seedlings Outdoors:** When to put small seedlings that you grew indoors (OR starter plants that you bought at a garden nursery) in the outdoor soil.
3. **Start Seeds Outdoors:** When to plant seeds directly into the outdoor soil.
4. **Last Date to Plant:** You may plant any time from the "start seeds" dates until this "last date." Don't wait any longer, or the crop won't have time to get to harvest before fall/winter frosts.

The "Moon Dates" indicate the best planting dates based on Moon phases. You can learn more about this age-old technique below.

Planting Dates for Spring

Crop	Start Seeds Indoors	Plant Seedlings or Transplants	Start Seeds Outdoors	Last Date to Plant
